

Task Board Sprint (2)

Backlog

as a user i want to
view menu of the
restaurant in its
page so that i can
choose my order

In progress

as a user i want to
see all nearby
restaurants so
that i want to
order

as a user i want to
see restaurant
categorized by
cusine so that i
want to order
easily

Testing

as a user i want to
sign up easily so
that i will sign by
google or
facebook

Done

as a user i want to
record my data
once at sign-up so
that i don't want to
enter my data
again
